

```
JBToolkit.Windows.Console  
Helper.CommandSet.Add<  
    TKey, TValue >
```

A diagram illustrating a mapping between two methods. On the left, a gray rectangular box contains the text 'JBToolkit.Windows.Console Helper.CommandSet.Add< TKey, TValue >'. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text 'JBToolkit.Windows.Console Helper.OptionSet.Add'.

```
JBToolkit.Windows.Console  
Helper.OptionSet.Add
```
